Milltown Village

This Benchmark Builders community is celebrating its grand opening this weekend.

The crème de la crème of 55+ communities to open in grand style today

The French have a phrase for it: “crème de la crème,” which means “best of the best.” That perfectly describes Benchmark Builders’ Milltown Village. Set in the natural beauty of the Pike Creek Valley, this active-adult community reflects the beauty of its surroundings. Saturday, May 3 marks the grand opening of the community and the unveiling of the exquisitely furnished model home, The Provence!

Visitors can be assured of a celebration in a grand style with special grand opening incentives for the weekend only, live music from the acclaimed Carl Granieri Trio, complimentary gourmet hors d’oeuvres and drawings for dinner for two at the area’s finest restaurants. Plus,

there’s a surprise in the garage for the car lover in the family.

Thanks to 50 acres of open space and forests, Milltown Village has the solitude and charm of a rustic French village. But the truth is that this pristine location is really only minutes from a seemingly endless selection of things to do: great restaurants and theater, golf and tennis clubs, historic mansions, gardens and parks as well as myriad shopping venues.

With pricing in the \$400s, Milltown Village is an attractive mix of single-family and carriage twin-homes. Nine diverse European-inspired designs exhibit marvelously spacious interiors with a wealth of opulent amenities: volume ceilings, large kitchens, family rooms with a gas fireplace, second-floor lofts and two-car garages. The professionally maintained grounds are encircled by meandering walking trails

that lead to a state-of-the-art clubhouse, which will surely become a popular gathering place for neighbors. Many will enjoy working out in the fully equipped exercise room. Others will relax in the card and game room, watch a movie on the entertainment center, surf the net in the computer room, or entertain family and friends in the great room and patio.

For more details call (302) 366-1515 or go to www.BenchmarkBuilders.com.

Directions: From I-95, take Route 141 North (Newport Exit). Follow 141 North to Route 2 West (Kirkwood Highway). Stay on Route 2 for about 5 miles. Turn right onto Pike Creek Road. The community is on your right.
